Paul hurried to call the emergency rescue services, while Jeffrey used a garden hose to prevent the flames from spreading. Jeffrey then noticed a sign indicating that live animals were living in the house, so he kicked down the door to the building and retrieved a cat.

After the animal was brought to safety, the two men heard screams. Paul and Jeffrey entered the burning building and worked their way through the thick smoke to find a choking woman. The two men picked her up and carried her to safety. They returned for a final trip to ensure they had rescued everyone.

I commend the selfless acts of Jeffrey Morse. It takes true courage to put somebody else's life above one's own. ● Mr. SMITH of New Hampshire. Mr. President, today I show my support for Russ Lauriat of Goffstown. Russ, with the assistance of his friends Arthur Moreau and Russ VanderHorst, rescued the life of 28-year-old Scott Derendal.

The three friends came upon a wrecked, burning vehicle while driving through Wear last July. Feeling a civic duty to aid a fellow person in need, Arthur, Russ and Russ raced to rescue the individual trapped in the car. They managed to save the life of Scott.

In September of 2001, the two telephone technicians were working on a cable problem when they noticed smoke coming from a nearby house. They raced to the scene of the fire. Paul hurried to call the emergency rescue services, while Jeffrey used a garden hose to prevent the flames from spreading. #### TRIBUTE TO RAY SUMMERS

● Mr. SMITH of New Hampshire. Mr. President, today I show my support for Ray Summers of Manchester, NH. His heroic actions and dedication to his country saved two fellow citizens and helped to discover numerous bodies that were buried beneath the rubble at Ground Zero. He put his own life on the line to bring comfort to a Nation.

Ray was interning at Shea Stadium when the World Trade Center Buildings collapsed on September 11, 2001, one of the most catastrophic days in our Nation's history. As a trained EMT, Ray answered a call from the New York City emergency authorities who desperately needed his support at Ground Zero. He was escorted to the scene, given rescue equipment, and immediately began to search for victims.

Ray searched for survivors and cleaned up rubble for about 72 hours, taking little time to rest or eat. He encountered several near death experiences, including nearly being crushed by the collapsing Liberty Plaza Building. He and another rescuer found two Port Authority officers still alive. They uncovered the two officers and carried them to safety.

I commend the selfless acts of Ray Summers. It takes true courage and honor to put somebody else's life and their country above one's own life. I am confident that as long as we have people like Ray Summers, our Nation will continue to be strong. New Hampshire is proud to have such a dedicated citizen. It is an honor to represent him in the U.S. Senate.●

#### TRIBUTE TO ADAM ANDERSON

● Mr. SMITH of New Hampshire. Mr. President, today I show my support to Adam Anderson for his heroic efforts at the McIntyre Ski Area. He, along with Shawn Page, Alex Marion, and Andrew Emanuel, helped to save the life of a fellow skier.

While enjoying a day of recreation at a ski slope, Adam noticed a child hanging from the seat of a chairlift. The skiers formed a human net to catch the boy. When the boy fell, Adam and his friends were able to save his life and prevent him from sustaining any serious injuries.

I commend this heroic act of Adam Anderson. He helped to save the life of

a fellow citizen and brought comfort to a worried family. I feel that as long as we have such dedicated citizens our Nation will continue to be strong. Adam exemplifies the ideals of a Granite Stater and I am honored to represent him in the U.S. Senate.●

#### TRIBUTE TO CAPTAIN TOM BUINICKY

● Mr. SMITH of New Hampshire. Mr. President, today I show my support for Captain Tom Buinicky of the Claremont Fire Department. His heroic actions, along with the efforts of Firefighter Amos Chamberlain, helped to save the lives of several families caught inside a burning apartment building. Amos puts his life on the line everyday for the sake of others.

In January of 2001, the two men responded to what seemed to be a routine call. They were two of the first firefighters on the scene and they discovered a three-alarm fire. Witnesses told them of an infant trapped on the third floor of the building, so the men searched for the baby. The baby had already been brought to safety, but the men continued to make sure that the entire building had been vacated.

Firefighters Buinicky and Chamberlain work valorously everyday. Each time they respond to a call for help, they are putting their own lives in jeopardy. This is just one example of how they went above and beyond the call of duty in order to save the lives of fellow citizens and bring comfort to the community. Firefighters are among some of this Nation's bravest heroes, and I applaud them for their work to keep New Hampshire safe.

I commend the altruistic acts of Captain Buinicky. It takes true courage to put other's lives above one's own. I am confident that as long as we have people like Tom our Nation will continue to be strong. New Hampshire is proud to have such a dedicated citizen and it is truly an honor to represent Captain Tom Buinicky in the U.S. Senate.●

In October of 2001, Timothy noticed a burning car that had fallen down an embankment. Timothy and Christopher raced to the scene of the accident and discovered an elderly woman trapped in the burning vehicle. She was pinned in the vehicle by the deployed air bag and the crushed dashboard.

Christopher attempted to break the driver's side window, while Timothy broke through the back of the car. Christopher smashed the window using a tire iron and he entered through the front of the car. Putting their own
